

Minor suction-cup holders with fixing screw

Differs from the Standard Suction Cup-Holder only in size and weight; even though it is smaller, it is still strong and long lasting.

- Rapid straight and "L" shaped joint
- Plastic tube diameter 4 x 6
- "L" shaped rapid joint = art. PSM.....L

Art.

| Art. | A | D | L | Fixing screw |
|----------|----|----|-----|--------------|
| PSM 25/C | 8 | 25 | 99 | SUM 9 |
